Take off with up to 28,000 bonus AAdvantage miles

Coming together to offer you more

American Airlines, British Airways, Finnair and Iberia have joined together to bring you even more choice in transatlantic travel. We have coordinated our flight schedules and streamlined our frequent flyer programmes to give you an enhanced customer experience.

Watch your mileage balance soar

Customers who fly a return transatlantic trip in First, Business Class or Main Cabin with American Airlines or British Airways, will be rewarded with up to 28,000 AAdvantage[®] bonus miles. There's no better time for them to book their next trip to the States, and the more they fly, the more they'll earn with bonus miles available on up to four return trips.

Customers should simply register before they fly using promotion code **UKS15**

Book between **3 March and 27 April 2015**, for travel during these dates for customers to enjoy this fantastic offer.
